Location: The resort is a first-class destination nestled on more than 330 acres in the Lehigh Valley.

Facilities: With over 26,000 square feet of meeting space, the modern facilities offer two breathtaking banquet facilities, two executive boardrooms, a rustic lodge and a cozy fireside suite with panoramic mountain views.

Amenities: The on-site hotel, The Inn at Bear Creek, offers 116 rooms ranging from standard accommodations to spacious two-story loft suites. Guests can also take advantage of our heated indoor and outdoor pools, hot tubs and fitness center. Mountain activities include skiing and snowboarding, hiking, mountain biking, fishing and boating. The resort spa, The Spa at Bear Creek, offers a wide variety of spa and salon service including massages, facials, scrubs and soaks.

Dining: In addition to catering services, guests of the resort can choose from two dining venues: The Grille at Bear Creek, a full-service restaurant and bar featuring continental cuisine with a Pennsylvania twist, and The Trail's End Café, a casual dining facility offering a wide selection of freshly prepared items.
